

Available on the App Store, August 2016

**Do you want to head to Rio this summer? Want to be able to see Brazil's beautiful sights, soak in the sun and watch your country compete in 2016 Olympics?**

Thumb Fit Games might not be able to pay for your flight or your hotel, but it can give you the chance to compete yourself in the comfort of your own home! Using nothing but the honed powers of your thumbs, represent your country in sunny Rio in sports such as the 100/200/400 metres, hurdles and long jump!

With a plethora of countries to choose from, plenty of challenging opponents and a range of achievements to shoot for, competing in the Olympics has never been more accessible.

Download today to begin your path to the top of the world!
